Dear Sir,

The Vineyard Regional Council area encompasses the Cessnock Council boundaries and it is the area in which the four local Conferences of the St. Vincent de Paul Society assist many disadvantaged families throughout the year. Calls on Society resources intensify over the winter period, 80-100 families each week being visited in their homes, so I am writing asking Council's support for our work. I appreciate your consideration of the Society Winter Appeal and look forward to a positive response.

Yours sincerely,

David Richardson
Secretary
