

Help us to reduce food waste  
by asking for a **'Doggy Bag'**

Make sure you:

- refrigerate the food as soon as possible  
(don't leave out for more than 2 hours)
- reheat food to piping hot before eating  
(if hot food)
- eat leftovers within 24 hours

This project is supported by the Environmental Trust as part of the NSW EPA's Waste Less, Recycle More initiative, funded from the waste levy
