The following guidelines apply to this service:

- a) The cost of the book of 52 vouchers is \$175.00. For new applications, vouchers are issued on a pro-rata basis. Council will advise you of the amount payable prior to issue of the vouchers.
- b) Upon receipt of the application form and the amount payable, Council will issue you with the vouchers.
- c) One (1) voucher will cover a maximum of 60 kgs and be capable of being contained in a 240 litre M.G.B. (mobile garbage bin), approximately .25 cubic metre capacity. The gatehouse operator is required to exercise discretion in determining the volume, and in turn the number of vouchers required.
- d) The waste must be generated from an approved domestic residence within the Local Government Area and not within the domestic waste collection area.
- e) The vouchers are renewed each 12 months expiring on June 30, and you must re-apply for their issue each year.

I agree to accept the service as described in the guidelines above.
